**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After years of paying exorbitant rates for internet, Ive finally got great speed at a reasonable rate. AT&T took advantage of us due to the lack of competition and certainly Comcast took advantage by throttling my bandwidth and sharing bandwidth with my neighbors.

It would be a travesty to be forced back into being fleeced by these huge companies that clearly havent valued their customers. Please dont let this happen.
